Color shown - Bucks County Gray

Color shown - Appalachian Ash

**TandoStone™** is the **#1 Brand of Composite Stone**. Professionals love the fast and easy install, and its unique **Tando TruGrit™** texture. Our **Creek Ledgestone** features the look of individually stacked pieces of stone where the horizontal ledge is more defined than the vertical joints. It offers a rough, dimensional surface with jagged edges that play with natural lights and shadows.

#### TandoStone Advantage

- Preferred by siding installers
- Same installer can install siding and **TandoStone**
- No mortar or adhesives required
- **Easy one-person installation**
- **Impervious to moisture** making it perfect for ground contact and roofline applications
- Perfect for **single family, multi-family, and commercial applications**
